I initially took this out of the library and liked it so much that I bought it. Really great selection of parks and it gives suggested trails along with terrain and difficulty. I also appreciate that they have whether dogs are allowed so that I know ahead of time and can plan. Really great resource that I'll use for a long time.

what a wonderful compilation of all the wonderful trails around Detroit and Ann Arbor. Our are has so many trails with streams, rivers and lakes to visit I just wish we had more more good weather so I could get out there more often. This book includes several of my favorite trails along the Huron River.
