Bonnie Henderson : Best Hikes with Kids: Oregon before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Hikes with Kids: Oregon:

0 of 0 people found the following review helpful. One sidedBy AshleyAll Western Oregon. I think people forget Eastern Oregon is actually a part of Oregon. There are great hikes in EO so I know they didn't ignore this area because of a lack of hiking spots. Very disappointed. I would not recommend at all.0 of 0 people found the following review helpful. WonderfulBy ShaneThis book is very informative and helpful to use while hiking with kids. We now have a

better idea before we go of what to expect and what trails may be better suited to our family with younger children. There are some hikes we may not attempt until our boys ages 4 and 7 get a bit older. It is a great book if you like to hike in Oregon. It's broken down by region and that is also nice. 0 of 0 people found the following review helpful. This is a great guide book By Hot Homeschool Mama This is a great guide book. We love Oregon and always visit with our children. The book is well organized and suggested hikes and places we had not seen (despite having traveled to Oregon many times). We were pleased with every hike suggested. I appreciated the difficulty guide as we have some young children. This is a great book to own!

Search for frogs and turtles in a pond, stay in a cabin, visit a nature center, see waterfalls, or discover abundant wildlife. These are just a few of the new hikes families (and anyone looking for an easy outing) will enjoy in these completely redone guidebooks. Each outing highlights points of interest and opportunities for learning about nature on the trail. The hikes range in length from 1 to more than 5 miles round-trip, are rated easy to difficult for children, and feature optional turn-around points for tired feet.

"Best Hikes with Kids: Oregon, by The Mountaineers Books should be in your glove box [because this] kid's hiking book could be [a] lifesaver on [a] long Oregon drive." -- The Idaho Statesman About the Author BONNIE HENDERSON grew up in Portland, Oregon, hiking in Mount Hood National Forest. She has been a newspaper and magazine reporter and editor, and a regular contributor to Sunset magazine. She lives in Eugene, Oregon.
