If you love travel and history, then this second-in-a-series guide is a great travel companion. It takes you to mansions

built by many of Oregon and Washington's pioneer entrepreneurs who created new industries and new cities. It includes the best museums, featuring Native American culture and pioneer farmers - small town museums, big city museums, and museums just for kids - plenty for everyone. The title's More includes monuments like Vista House at Crown Point perched high above Columbia Gorge and a tour through Bonneville Dam, with suggested journeys to flower farms, wineries, and unique city tours. Each of the eight sections covers a separate geographic region, with over 130 destinations throughout. Every entry details the highlights of a particular place and includes operating hours, entrance fees, location, and contact details.
