Kate Ripley : Best Places Alaska: The Best Lodgings, Outdoor Adventures, and Restaurants before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Places Alaska: The Best Lodgings, Outdoor Adventures, and Restaurants:

28 of 29 people found the following review helpful. Fantastic Guidebook with great storiesBy Clark D. Scoggins Jr.A fantastic guidebook describing some of the off beat places in Alaska. If you want the true Alaskan experience, get this book. It contains over 200 restaurant and lodging reviews and stories of the 'best' places in Alaska. One of the three must travel books (Milepost, Discovering Denali, and Best Places Alaska) if you are going to the Last Frontier.0 of 0 people found the following review helpful. Best Places Alaska: the Best Lodgings, Outdoor Adventures, and RestaurantsBy M. CorneliusI found this book very informative with information on the history of an area as well as sites to vist, what to look for on walking tours or hikes, and where to shop, spend the night, or eat. I especially liked the references to native-made art. However, I also purchased "Best Places Alaska" by Don Pitcher and the books are virtually identical (they even use the same phrases to describe a place). I would recommend either of these books but not both.3 of 3 people found the following review helpful. It is the BestBy VirginiaI used this book to plan almost all aspects to our two week Alaska vacation which we have just gotten back from. And this book was the very best to give you the means to get off the beaten tourist path and see and experience the true Alaska. It is by far the very best tool. People asked us how we saw and experience so much in such a short time and I tell them it's because of this book and doing our home work.

Home to fantastic fjords, breathtaking coastlines, rushing rivers, temperate rain forests, majestic mountains, glorious glaciers, a wealth of wildlife, and a rich cultural heritage, Alaska hosts 1.3 million tourists a year. Best Places Alaska offers these adventure-seekers newly updated recommendations on the finest sights and attractions of the Last Frontier. Written by a lifelong eighth-generation Alaskan and former award-winning newspaper reporter along with a crew of top-notch Alaskan writers, the third edition contains 50 percent new material, including a newly expanded section on cruise ships, new three-day planners, new details on Prince of Wales Island, and new sidebars. Readers will find detailed information on park outfitters, milepost stops, and festivals -- from salmon derbies and dog mushing races to exciting Native cultural events. They'll learn the top spots for halibut and salmon fishing, safe bear-viewing, kayaking Prince William Sound, and hiking in Denali National Park. The book also features star-rated restaurants and lodging, and helps travelers negotiate cities from Ketchikan to Barrow. Special sections detail wilderness lodges, driving the Alaska Highway, and viewing the northern lights.
