From Brand: Sasquatch Books : Best Places Northwest: The Best Restaurants and Lodgings in Washington, Oregon, and British Columbia before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best Places Northwest: The Best Restaurants and Lodgings in Washington, Oregon, and British Columbia:

12 of 12 people found the following review helpful. A Must HaveBy aventurerI've had the older edition of this book for years and brought it on every road trip we've ever taken. Certainly it doesn't have every wonderful place you've ever stayed at -- but it has so many that are good it would be foolish not to follow the recommendations it provides. My only complaint is that some of the wonderful places (which, granted, we never would have found had it not been for this book) have become so difficult to get reservations at that we find this book sometimes does not help for those last minute weekend trips out of town. That said, if you live in the Northwest, consider this your bible -- from Portland to Vancouver, the Islands, and everywhere in between -- you will always find a reliable recommendation for a good table and a warm bed in the pages of this book.

Trusted by locals for 25 years, Best Places Northwest is the uncontested authority on the best of the region. This 14th edition offers the most reliable, in-depth, star-rated reviews of the best of Washington, Oregon and British Columbia, including restaurants, lodging, shopping, outdoor activities, local "must sees" and insider tips. Conveniently organized by highway, Best Places also includes three-day tours of cities and outdoor locations with locator maps for every destination along with entertaining essays on history and culture and information on special attractions. Easy-to-use icons point out the best romantic, value, family-friendly, and unique places that the editors think are especially noteworthy. Best Places Northwest has something for every budget -- and every place is anonymously researched and reviewed. "For travel collections covering the Northwest, the Best Places series takes precedence over all similar guides." -- Booklist "Still the region's undisputed heavyweight champ of guidebooks." -- Seattle Post-Intelligencer
