Now I know that Phoenix is not just an airport hub for our state, it is a great destination in its own right. This is an excellent and complete guide of all the highlights! I recommend it to all Arizona natives.11 of 11 people found the following review helpful. Like having 'a local' show you around...By Jill M

Long...and I needed this book. As an author coming to town for a world-wide 24-hour tour, this guidebook was a gem. Everywhere I needed to go and whatever I needed to have was here. Highly recommended if Phoenix is on your next vacation or even your business trip list.
