Tom Watson : Best Tent Camping: Minnesota: Your Car-Camping Guide to Scenic Beauty, the Sounds of Nature, and an Escape from Civilization before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best Tent Camping: Minnesota: Your Car-Camping Guide to Scenic Beauty, the Sounds of

Nature, and an Escape from Civilization:

0 of 0 people found the following review helpful. Not what I hoped forBy Driftless1Disappointing. The author focuses almost exclusively on the state parks. Minnesota has wonderful state parks, but I was hoping to find other less developed campground recommendations for rustic locations like state forest and national forest campgrounds. You can do just as well with a comprehensive guide to Minnesota state parks.0 of 0 people found the following review helpful. campground/campsite guide-bibleBy ShiftSe7enmy bother turned me on to these books and so far, Tom Watson has never lead us astray with any of his tent camping recommendations and observations. I have Missouri/Ozarks, Colorado, Illinois, and now Minnesota.This is an increasingly invaluable resource for planning a camping trip as more and more campgrounds make the switch to being 100% reservable online. The days of having the luxury of just showing up early and picking out a campsite are drawing to an end, and without being able to see them in person, these resource books from Tom Watson really shine.3 of 3 people found the following review helpful. Great InformationBy LillersAs an avid tent camper, I'm always looking for great new campgrounds. This book contains good information on the campground and its amenities. MN has some beautiful sites. Worth the money. I would recommend this to anyone looking for info on MN campgrounds.

Best Tent Camping: Minnesota is a must-have guide to the best tent campgrounds Minnesota has to offer. This updated edition includes campground layout maps, directions to each campground, and descriptive profiles. Unlike other guides which merely list all campgrounds, Best Tent Camping: Minnesota profiles in detail the best sites in the state for campers who seek the serene and secluded.You'll find essential information about each campground (including season, facilities, rates, directions, GPS coordinates, and Web sites), as well as a description of the campground, the best sites, and nearby activities such as hiking, canoeing, fishing, and mountain biking.Whether you are a native Minnesotan in search of new territory or a vacationer on the lookout for that dream campground, this book unlocks the secrets to the best tent camping that Minnesota has to offer.

"Watson's descriptions are meticulously researched; he checked out every campsite in every campground, hiked every trail, and gives detail down to what birds, flowers and trees you'll see, how much road noise you might hear and what type of restroom facilities you can expect. Campers hoping to reserve a site in advance can pinpoint exactly where they'd like to be, based on his thorough descriptions." --MinnPost.com, July 2012
