Steve Henry : Best Tent Camping: Missouri and the Ozarks: Your Car-Camping Guide to Scenic Beauty, the Sounds of Nature, and an Escape from Civilization before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Tent Camping: Missouri and the Ozarks: Your Car-Camping Guide to Scenic

## Beauty, the Sounds of Nature, and an Escape from Civilization:

0 of 0 people found the following review helpful. Very good, but a little quirkyBy Kelly KeefeNice guide book but a little flakey regarding the criteria for inclusion. As one review mentions, state parks are pretty much omitted, understandable in a book pertaining mainly to tent camping, but some ARE included and those that are don't seem to be any more "tent friendly" than the ones omitted. But if you're unfamiliar with camping in Missouri (or like me, completely unfamiliar with camping in Arkansas) it's a good place to start. Another resource to check out, if you really are into tent camping, is the conservation nature areas run by the Missouri Department of Conservation. Some of those have camp sites available. You can find a list of those that have camping sites available on the MoDOC website. Be advised though that those are primitive sites (i.e. no amenities at all except, perhaps, a vault toilet). But if that's your bag, that's another resource to check out and you can rest assured that there'll be no RV's there. To sum up: Not a bad beginners guide. Information listed is solid. Presented in an interesting manner. Solid buy as a beginners guide. 2 of 2 people found the following review helpful. A great starter guide to getting out into the woods of Missouri!By Matthew PeasleeI have really been enjoying Best Tent Camping: Missouri. Don't listen to any bad reviews. If you are looking for a simple picture book or a novel, pass on by. But if you are looking for a new perspective on a camping guide, pick this one up. The author talks a lot about his favorite campsites based on their seclusion from others and the beauty of the grounds. That being said, he also covers campgrounds with activities for the kids and which one could be fun for partying. There is a little something for everyone. It's laid out like a guidebook, but the language is straightforward and very easy to understand. A fun read! 0 of 0 people found the following review helpful. There's a lot of good tent camping in the rest of Missouri and ArkansasBy GrizzledIt only covered SE Missouri and NW Arkansas. There's a lot of good tent camping in the rest of Missouri and Arkansas Ozarks

Best Tent Camping: Missouri and the Ozarks by Steve Henry leads readers to 50 quiet and beautiful camping hideaways in Missouri and northwest Arkansas. In addition to scenic beauty and relaxing atmosphere, campground profiles also include tips for outdoor activities and points of interest. Especially helpful is the "Best For..." lists that guide readers to the top campgrounds for picturesque environment, families, hiking, swimming, cycling and mountain biking, and more. Whether campers are looking for a places to fish, hike, and canoe or the best sites for photography, Henry provides plenty of information to make choosing the right campsite easy. Not only does each campsite profile include a description and map, Henry includes ratings on the beauty, privacy, spaciousness, and cleanliness of each site. Best Tent Camping: Missouri and the Ozarks makes planning your camping trip easy and enjoyable!

From the Inside FlapThe Ozarks is a land of clear rivers, tall bluffs, deep forests, and aquamarine springs. And this spectacular backdrop is the setting for some of the most scenic campgrounds in the country. Hundreds of miles of trails and thousands of miles of rivers lace the countryside and these forest hideaways, opening the door to endless adventure. But do you know how to find the right place? Here's the answer. Maybe you seek a small, quiet campground near a fish-filled stream for a weekend of solitude...or maybe you and the family need a campground with all the amenities and lots of recreational options. In Best Tent Camping: Missouri the Ozarks, outdoors writer and enthusiast Steve Henry has compiled the most up-to-date research-in the region he knows so well-to steer you straight to the safe and scenic treasure spot you had in mind.
