**Bob Sehlinger, Katie Brandon : Beyond Disney: The Unofficial Guide to Universal, SeaWorld, and the Best of Central Florida (Unofficial Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beyond Disney: The Unofficial Guide to Universal, SeaWorld, and the Best of Central Florida (Unofficial Guides):

4 of 4 people found the following review helpful. Busch Gardens Sea World Guide By Joseph Boone Beyond Disney is meant to be used as a second guide when planning a trip to Orlando. They assume that you have purchased a guide for Walt Disney World and are using this one for the other theme parks in the area. This is a good idea but there are some problems with it. First, the Universal Parks are already covered in the The Unofficial Guide to Walt Disney World 2008 (Unofficial Guides) and that material is simply dropped in here with no additions. So if you have the WDW book, then you don't need to see that again here. The main value in this book lies in the coverage of Sea World and Busch Gardens. Both are major theme parks and get full coverage here. This is the only book in the Unofficial Guide series where you'll find that material and many of the other publishers ignore those parks completely. If you are interested in attending either park, then I highly recommend Beyond Disney. If you plan to stick to WDW and/or the Universal Studios/Islands of Adventure area then you can safely skip this. 31 of 31 people found the following review helpful. Good, but not great By A Customer This is a companion book to the "Unofficial Guide to Walt Disney World," for those who decide to venture beyond Disney's realm in central Florida. The authors do a fine job rating attractions (rides, films, displays, etc.). They use star-ratings coupled with their assessments and readers' comments, along with a healthy dose of humor--all of which will be familiar to readers of the "Walt Disney World" book. It's all-too familiar in the case of Universal Studios and Islands of Adventure. In fact, it's simply a verbatim extract of the "Walt Disney World" text. Worse yet, it omits one of the best features of the Disney book: the touring plans. If you're planning a trip to Universal Studios, and/or Islands of Adventure, stick with Sehlinger's Disney book: it contains more and better coverage. Sea World receives better coverage here. And this is the only "Unofficial Guide" coverage of the other parks. 1 of 3 people found the following review helpful. A "must have" By Michael L. Cuzzo Jr. A real handy guide to help plan not only your day, but what rides to hit and what rides to miss depending on what you are looking for. Very accurate and easy to work with

From the publishers of The Unofficial Guide(r) to Walt Disney World(r) "A Tourist's Best Friend!" -Chicago Sun-Times "Indispensable" -The New York Times Seven Great Features and Benefits offered ONLY by The Unofficial Guide(r): \* Practical tips on when to go and how to beat the crowds at 11 of Central Florida's best theme parks \* Firsthand information on what's worthwhile and what's not at major attractions \* The inside scoop on where to go for the best roller coaster action \* Complete coverage of Universal Florida, including Islands of Adventure(r), CityWalk(r), and detailed restaurant reviews \* Comprehensive chapters on SeaWorld and Discovery Cove(r), Busch Gardens(r), Kennedy Space Center, Gatorland(r), and the Holy Land Experience(r) \* Comparisons of all area water parks \* The straight story on Orlando-area dinner theaters and nightlife Sample Rating Revenge of the Mummy Appeal by Age Preschool Grade school Teens Young adults Over 30 .
