Edward Abbey : Beyond the Wall: Essays from the Outside before purchasing it in order to gage whether or not it would be worth my time, and all praised Beyond the Wall: Essays from the Outside:

1 of 1 people found the following review helpful. Worth It!By AlThis is typical Edward Abbey writing, I am used to it, so I actually like it, but to some it may seem labored at times. It was written late in his career, so it explains some things that were not clear in his earlier books. Why he felt the way he did about development in the West is one example. I understand that now more than ever before. It explains some things from both his fiction and non-fiction writings. He was a driven man at times and these essays make that fact very understandable. Worth reading if you like Abbey's writing.1 of 1 people found the following review helpful. Another Great Book for Abbey FansBy Jill A. HaslamI prefer Edward Abbey's nonfiction essays about the outdoors. This book was really good, but I didn't love it as much as some of his others. If you are an Edward Abbey fan, definitely read it. If you are just starting to read some of his material, I would suggest Desert Solitaire or The Journey Home.0 of 0 people found the following review helpful. Time well spent!By dogmomEdward Abbey - always worth reading!

In this wise and lyrical book about landscapes of the desert and the mind, Edward Abbey guides us beyond the wall of the city and asphalt belting of superhighways to special pockets of wilderness that stretch from the interior of Alaska to the dry lands of Mexico.

The Thoreau of the American West. Larry McMurtryFrom the Back CoverNo passports needed, no examinations to undergo, no special equipment required, no experience necessary. A journey into Edward Abbey's wilderness is the

freest, cheapest, most nonprivileged of pleasures. About the Author The author of *Desert Solitaire* and *The Monkey Wrench Gang* is unchallenged among radicals of all ages. Edward Abbey, an American icon, called "the original fly in the ointment" by Tom McGuane, today has roads and a town named after him.
