My son who has worked in restaurants, including high end New Orleans restaurants, read and said he could use it to open a restaurant with the entire menu coming from this little book. The 'sauce' recipe in it is excellent. I keep it on hand all the time and use it too many ways to name.0 of 0 people found the following review helpful. This is a great book. I have enjoyed eating

Good Eats and DrinksBy SR71 Dude "Mac"I didn't expect anything new in this book since I grew up in New Orleans but was pleasantly surprised to find a number of new food and drink ideas. It's a fun read and a good source for good eats and drinks.

Cocktail (kk'tl') n : a many-splendored creation believed by some to have been born, bred, and elevated from mere libation to lifestyle in New Orleans. In **BIG EASY COCKTAILS**, chef Jimmy Bannos pays tribute to the Crescent City with a host of recipes for truly classic cocktails like the Mint Julep, newfangled concoctions like the Gentilly Sunrise, and snacks and appetizers inspired by Creole and Cajun cuisines. A colorful collection of cocktail and snack recipes that capture the authentic flavors and spirit of New Orleans. A portion of the book's proceeds will be donated to support Hurricane Katrina relief efforts. Includes 50 cocktail and 35 appetizer recipes plus 30 food and location photos. Features recommended music selections to accompany each cocktail recipe and a list of New Orleans-related books and movies.
