**Ron Spomer : Big Game Hunter's Guide to Montana (Big Game Hunting Guide Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Big Game Hunter's Guide to Montana (Big Game Hunting Guide Series):

0 of 0 people found the following review helpful. Not bad, but....By Jeff Kemp There's some good stuff in here, but, many of the references to hunter experience date back to the mid nineties. Much has changed here in Montana since

that time. The winters seem less severe and wolf depredation has increased on the elk and deer populations. 0 of 0 people found the following review helpful. Five Stars By Joshas described, fast ship 0 of 0 people found the following review helpful. Great reference By gary fujinami Great overview and seems accurate even today (2014). Fun read to get dreams going.
