There were a few in Iowa that we have gone on that weren't in the book. Assuming that the trails were new ones. 1 of 1 people found the following review helpful. Read it, and use it occasionally By Craig Bernhardt For a used book, it actually was in excellent shape. No ripped or bent pages, no writing etc. Glad I purchased

From cruising the flats to challenging climbs and ripping descents, Iowa has everything a cyclist could want. Big, detailed maps guide your adventure, and concise, witty trail descriptions let you know all there is to see and do along the way. Includes 50 rides for cyclists of all ability levels, tips on where to find water, snacks, lodging, repairs,

fascinating notes that help you appreciate the nature and history along the trail, and much more.
