Bill Cherry : Bill Cherry's Galveston Memories before purchasing it in order to gage whether or not it would be worth my time, and all praised Bill Cherry's Galveston Memories:

BizicI just ordered TWO of Bill Cherry's books so that should tell you how much we have enjoyed the stories of Mr. Cherry from the past. Each of the recipients of the books I ordered was very pleased with the unexpected, but oh so welcomed gift. Bill Cherry has the knack of the perfect storyteller. It's like he's right there with you, around your table,

sharing stories. This book is guaranteed to help you learn more about one of our finest ports in our country and the wonderful people there who help(ed) make it work! And a chuckle or so here and there is like the "finishing touch" cherry on top of a delicious sundae! 1 of 1 people found the following review helpful. Book is amazing! By Barbara J. Aubin I bought this book for my dad who is a member of Galveston Remembered on Facebook. My father was acquaintances with the family. If you are a Galvestonian or were a Galvestonian, you need to purchase this for your own personal library. 0 of 0 people found the following review helpful. Excellent Experience By Sandra Hinton Product met my expectations. Delivery was rapid.

Galveston: Beyond the sunny beaches lies a real place of history and humanity. Spanish Conquistadors, Jean Lafitte and buried treasure; shipping, cotton, merchandising, manufacturing, culture, opera, publishing; great fortunes made and lost and made again. The Island faced the full force of war, fire, flood and hurricanes, and always the memory of the Great Storm of 1900. Memorable characters and celebrities flourished here and Bill Cherry relates their tales and also the tales of the ordinary and special people who loved and struggled and sometimes succeed in those extraordinary times.

About the Author Bill Cherry born in Galveston and raised in the 40's and 50's, a fabled time of a vibrant cosmopolitan seaport open to gambling, prostitution, and wise guys. Bill graduated from North Texas State University and for 35 years was a real-estate broker on the Island all the while he pursued his dream to be a jazz pianist and author. His weekly column in the Galveston County Daily News was the source of these stories.
