Bill Oddie : Bill Oddie Unplucked: Columns, Blogs and Musings (Bloomsbury Nature Writing) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bill Oddie Unplucked: Columns, Blogs and Musings (Bloomsbury Nature Writing):

0 of 0 people found the following review helpful. Recommend to politiciansBy RitzyAs a new birdie I found this book inspiring and sometimes feel the same feeling as Bill Odddie described. Now I am even happier being a birdie after finish reading. Strongly recommend to all the politicians of the world. Please read this and treat all the creatures just like us.

Bill Oddie has been the voice and face of birding broadcasting for more than three decades. In this new book, Bill has compiled and expanded a collection of his recent published musings about birds and bird-watching. Writing in his witty and inimitable style, Bill is sure to entertain and enthrall his many fans with this new book of thoughts and opinions on the world of natural history in Britain.

Bill Oddie is well known in the UK, mostly as an actor on the '70s BBC series *The Goodies*. Birders there, however, also know him from natural history TV programs and from the many books and articles he's written. Here in the US, I daresay that not many are familiar with him. If they are, then they are probably like me--they've heard of the name, but not read anything by him. That deserves to change, and a good place to start is *Bill Oddie Unplucked*. The Birder's Library
About the Author
Bill Oddie is an English author, actor, comedian, artist, naturalist, and musician. Having been interested in bird-watching from an early age, he has developed an established reputation as a keen and committed bird-watcher and has written a number of books on this subject.
