California: A Guide to Viewing Distinct Varieties (California Renaissance User Friendly Guidebooks):

0 of 0 people found the following review helpful. Attention birders!By Keith HalonenAnything from late author Rich Stallcup has value to the birding community. Got this for my lovely companion who birded with Rich on a few occasions. Imagine being around a woman who can identify birds just by the sounds they make.

Striking full-color guides. Bound in water repellent, film laminated covers. Extensive center-spread maps of the state highlights locations featured in each book. Special 8-pocket and 4-pocket lucite display racks available with purchase of the series.
