Stan Tekiela : Birds of Minnesota Field Guide and Audio CD Set before purchasing it in order to gage whether or not it would be worth my time, and all praised Birds of Minnesota Field Guide and Audio CD Set:

2 of 2 people found the following review helpful. Small guide , big color , big sound By Lisa dergan Beautiful color pictures. Short sweet guide. Everything is 5 star. I can find the birds coming to my feeder and what food they like to eat. And what birds I might see in my backyard of Minnesota. 1 of 1 people found the following review helpful. Five Stars By Anonymous Very nice set. 1 of 1 people found the following review helpful. Easy to use By northstar Easy to use. I especially like the classification by the bird's primary colors. Interesting information about bird habitats and culture.

It's two great tools in one field-friendly package! Get this exceptional value that includes the Birds of Minnesota Field Guide and the Birds of Minnesota Audio CDs with a 36-page booklet. The book and CDs are designed for each other. The track number at the bottom of each page in the field guide directs you to the correct CD track. Likewise, the audio

CD index references the field guide. Make bird watching more enjoyable, simple and informative with this amazing set.
