Jill Safro : Birnbaum Guides Disney Cruise Line 2009 before purchasing it in order to gage whether or not it would be worth my time, and all praised Birnbaum Guides Disney Cruise Line 2009:

1 of 1 people found the following review helpful. Good book for any new Cruiser, but no info on Tortola port of call By Lee Givens, Jr. Great for getting an idea on what to expect and a great overview of the excursion possibilities. One interesting note, no info on Tortola. Not sure if it's a new thing and Birnbaum missed it? I'll have to do some more research on my own, but the book will be coming with us on the cruise. 84 days to go! 0 of 0 people found the following review helpful. helped out with my first Disney cruise By Ginger Orlich This guide has some really good

information in it about Disney cruises and ports of call. I have to say that I didn't find all the answers to my questions in this book, but it did cover info/questions that I hadn't even thought of! Great basic information and overviews! 1 of 1 people found the following review helpful. Birnbaum Guide 2009 Disney Cruise Line By Jennifer M. Moerler This book was just what I expected. It helped answer many of the questions I had about our upcoming cruise. It had clear descriptions of excursions, activities on the ship, and the different restaurant choices. I recommend this book to anyone planning a Disney Cruise.

Birnbaums Disney guides take to the high seas with this comprehensive look at the Disney Cruise Line and all the events, activities, and ports of call to sample aboard the Wonder and the Magic. In *Before You Sail*, receive advice on what to do and pack prior to your journey. Then get a deck-by-deck, cabin-by-cabin introduction to your vacation home, as well as personal dining tips, from midday snacks to gourmet dinners. Find out the characters favorite hangouts, and, for adults only find out some of our little-known hideaways. The guide also includes a chapter on Ports of Call to help you decide which tours and shore excursions to take, plus a fun-filled guide to activities for kids of all ages tots and teens and in-betweens. Additionally, well show you where to massage your cares away, the best places to be after dark, how to celebrate in style whether youre just married or renewing your vows, marking a special birthday or anniversary, or just rejoicing, and the secrets to planning a successful family reunion.
