A Great Guide (But now with Less Information) By Chris Haywood Birnbaum's Disneyland Resort Guide is "the" resource for planning a trip to Disneyland and has been informative and valuable for years. I order a new version every year or two and the Guide is always a big help. My only reason for giving it 4 stars instead of 5 is that in recent editions the publisher has skimmed on providing

information on other places of interest in the surrounding area. They used to include some basic information on restaurants, attractions and shopping in the area -- this is sadly lacking in the more recent editions. Otherwise, this Guide is great and should be useful to anyone planning a trip to the Magic Kingdom. 2 of 2 people found the following review helpful. so I have a pretty good system of my own for getting around the ...By mark evans I've been to Disneyland over 200 times in my life, so I have a pretty good system of my own for getting around the park, but I have been reading Birnbaum's guide for many years just for the pleasure of it. It is very helpful, put together wonderfully and a must have for 1st. time visitors. 0 of 0 people found the following review helpful. A Quick and Fun Read as You Get Ready to Plan and Go By Keith Blackmar Information is nicely presented and is a quick and fun read. Kind of sad that they dumped a good portion of the book which covered other activities around Orange County and beyond. But the information that is included is helpful and fun to read. The parks change frequently enough that it is important to keep up. I have a Birnbaum Disneyland from 2008 and the new 2015 and the sample budget has nearly doubled in those years. Between airfare and Disney cost it is sad but true.

This updated edition of Birnbaum's Disneyland Resort, the most respected and well-known name in Disney guides, takes readers through Walt Disney's first theme park with ease and flair. Since our guide is the only guide that's official, this book includes the most accurate and current information on prices and attractions. Here are some of the highlights for the 2015 guide: Birnbaum's Official Guide to Disneyland sports a bold new look and more insider information than ever before. Happy 60th birthday, Disneyland! Birnbaum's Official Guide to Disneyland Resort 2015 offers details on this festive occasion. Thorough descriptions of all theme park shows and attractions will help guests get the most bang for their buck. And money-saving tips will help visitors stretch those precious vacation dollars. As Disney and The Force join forces, we've got the scoop on new rides, shows, and character greetings from the Star Wars realm. There is a new holiday show in town. We offer details on the holiday spectacular: World of Color-Winter Dreams, presented at Disney California Adventure. Expanded dining information, including details on Disneyland's newest eateries. The massive overhaul of Disney California Adventure is finally complete! We'll help guests navigate through this popular playground and deliver the scoop on any shows and attractions that have opened since their last visit. Our guide is also the only one allowed to feature Disney characters. And Birnbaum's Disneyland Resort is the most comprehensive guidebook, offering complete information on the Magic Kingdom, Disney's California Adventure, and Downtown Disney, as well as details about Anaheim area attractions, things to do in Los Angeles, and special driving routes around Southern California. This is the only guide to Disneyland that readers need, entirely updated every year.
