my money at DISNEYLAND2 of 2 people found the following review helpful. Excellent resource guide!By D RobertsonAlways love these books. Very informative with great pictures. As a travel agent, I always recommend this for my clients. Better than any other resource book out there, in my opinion.1 of 1 people found the following review helpful. good info for maximizing your Disney tripBy T. KeeWe have bought this book nearly every year we go to Disneyland. It has great information if you are a book reader. Some of the new smart phone apps have similar information and more realtime information, but this is a good read to get prepared ahead of time, to make a game plan(my hubby is a planner)

As Disneyland Resort continues to grow and evolve, trust Birnbaum to guide you through it all.
