We've been to Disneyland many times but feel overwhelmed with the size of the parks in Florida. This book has helped us understand better what to expect of the rides, the parks, shopping, and gave great information about the hotels and restaurants available in the Disney areas and

provided maps of each of the parks. It has "Hot Tips" throughout the book that feel like when you go someplace with a friend that knows all about the area. We love the Disney graphics throughout the book as well. It gives advice for one day visits, half day visits, traveling with children, teens, and without children. (It even lists the most romantic places in the WDW area.) I really appreciated the pictures of some of the places we'll visit too. The layout of the book is larger than I expected, it's about the size of 2 paperback books laying side by side BUT that is really good. All this info in a small book would have been too thick and harder to hold. I really like the layout of the book - it was user friendly and feel like it has prepared us for our trip. For what it's worth, it also has info about Disney cruise lines. It has coupons in the back of the book. I assume that they are for the shops along what we would call Downtown Disney here in California, but it's "Disney Springs" in Florida. It even has photos of places around the parks where you can play a game to find the photo spots. I am glad I took a chance and bought this book as a Newbie, I needed to find out more, and this was just what I needed. 0 of 0 people found the following review helpful. Official and the best forget the rest! By Customer always the grandest travel companion before I or any of my friends go to WDW. It is the most well-thought and easiest to read as well as colorful fun pictures and trivia and detailed in every way. Whether I am planning a visit to WDW or not I like to be updated making me feel like I'm there or wishing I was. This book has been an annual purchase for me since its first printing. To date 2018's copy is the most heavy- delightfully packed w/ the most magic entertainment and dining opportunities! I go through the book cover to cover w/ highlighters to make known for myself and anyone who may borrow it: pink= anything to do w/ time management, orange= alerts like an attraction down for refurbishment yellow= general idea of the subject matter green= costs blue= new thank-you for keeping this travel companion updated as best you can doing all you do to get it that way and making it a delight to read and reread. Hope you have a magical day. 0 of 0 people found the following review helpful. Great for planning a Disney Adventure! By Momof2 These guides are very good, especially for Disney novices. We have been a bunch of times but I still like the book because it is fairly comprehensive. Sometimes I don't agree with the "plans" or recommendations but overall I like this book. My kids like it too, it has a lot of colorful pictures and coupons!

As Walt Disney World continues to grow and evolve, trust Birnbaum as your guide! The 2018 edition delves into detailed descriptions of all attractions, resorts, and eateries; offers money-saving coupons and strategies to maximize your vacation budget; and includes a peek into what's new: -Happy 20th birthday, Disney's Animal Kingdom: read about the debut of the theme park's newest land, Pandora-World of AVATAR; a schedule of extended-hour nights featuring Sunset Safaris, Tree of Life "awakenings," and the water-based extravaganza "The Rivers of Light"; booking a table at Tiffins, a new eatery that has garnered rave reviews, or snagging a seat at the adjacent Nomad Lounge. -The Force grows stronger at Disney's Hollywood Studios every day: read about the ongoing construction of the highly anticipated Star Wars Land; Star Wars: A Galactic Spectacular, a vibrant and dramatic pyrotechnic evening fireworks display; and Jedi Training: Trials of the Temple. -What's it like to be a toy in Andy's backyard? You'll soon find out at Disney's Hollywood Studios brand-new area known as Toy Story Land! Birnbaum offers a first-look at the new Slinky Dog Coaster and what else to expect when this 11-acre play land is complete. -Make way for the Muppets! In addition to their growing presence at Disney's Hollywood Studios, Kermit and company now offer Muppet-ational moments in the Magic Kingdom park. Birnbaum sheds light on where and when to catch their hysterical-and historical-antics. -Epcot's newly-expanded International Food and Wine Festival. Cheers! -Typhoon Lagoon's newest water park attraction: Miss Fortune Falls, a water-raft ride is for the whole family! -Disney Cruise Line weighs anchor a mere 50 miles from Walt Disney World, making a surf-and-turf vacation a tempting possibility for many a Disney guest. A special Birnbaum "bonus" chapter guides guests from possibility to reality, laying out all the details for pairing a Disney Cruise with a visit to Walt Disney World.
