Birnbaum : Birnbaum's Disneyland Resort 2004: Expert Advice from the Inside Source before purchasing it in order to gage whether or not it would be worth my time, and all praised Birnbaum's Disneyland Resort 2004: Expert Advice from the Inside Source:

2 of 3 people found the following review helpful. Very GoodBy A CustomerA worthwhile book, because it includes future attractions that have not yet opened. I recently saw the Tower of Terror being built, and heard one of the Winnie the Pooh ride creators talk about its creation, and I can't wait until they're completed, so it was great to read more about them in this book. Like I just learned about a themed resort that is to be built in China (not by Disney) on 2800

acres on three miles of beachfront, now being designed by a leading firm, which will be built around a fictional narrative written by a writer named Craig Furnas. If you look forward to such to-be-completed projects, plus enjoy current attractions, this book is for you.0 of 1 people found the following review helpful. Awesome for TipsBy A. VennI bought this book purely to remember everything after i'd been.I also bought their DisneyWorld book too.But if you've been to Disneyland Disneyland Paris, DisneyWorld seems superflous pointless.All that aside, this book gives you tips on when to do stuff on those days when you feel like planning. And tips for days that you don't feel like planning. Excellent.2 of 4 people found the following review helpful. Somewhat of a glorified brochureBy A CustomerI suppose the word "Official" on the cover should have been a good clue, but I was still surprised to find little criticism in this book. There is helpful information, but it reads as if written by a publicist for Disney. I wish I had spent my money on the "unofficial" guide for some more objective advice.

Birnbaum's Disneyland Resort 2004 has all the information visitors need, including prices, attractions, hotel and restaurant listings with an expanded nightlife section, valuable coupons, and much more. This updated edition includes special coverage of Disneyland's holiday and special events, as well as info on Disney's California Adventure Park's newest blockbuster attraction, The Hollywood Tower of Terror, and Disneyland Park's new crowd-pleaser, The Many Adventures of Winnie the Pooh. Other highlights include expanded information on the Disneyland Resort dining scene, with a Restaurant Round-up, and a fresh look at Southern California excursions, plus a complete guide to Disneyland's Good Neighbor Hotels, a system for helping visitors work within their vacation budgets. Make the most of your vacation and get the best travel advice about this legendary vacation spot with Birnbaum's Disneyland Resort 2004.
