Birnbaum : Birnbaum's Disneyland Resort 2005: Expert Advice from the Inside Source before purchasing it in order to gauge whether or not it would be worth my time, and all praised Birnbaum's Disneyland Resort 2005: Expert Advice from the Inside Source:

2 of 3 people found the following review helpful. Best on Disney By S. Daugherty I never plan any "Disney" trip without this book. They keep it as up to date as possible (always call before going). And have wonderful "tips" that others don't know about. 4 of 4 people found the following review helpful. Excellent book! By Jennifer Maxwell Our family are Walt Disney World veterans who are now thinking about heading to California to see what Disneyland has

to offer. We really enjoy the Birnbaum's Official Guide to Walt Disney World and when we began to research Disneyland, I knew that along with the Unofficial Guide, The Disneyland version was a guidebook I had to have. The photos are great, the information is complete, and it does not have an "official" slant feeling. The extra section detailing the 50th Anniversary Celebration is a great bonus, as well as the information on things to do in the general Disneyland area. We do plan to head west before the celebration is complete and this guidebook has given us a real feel for what to expect. I highly recommend it. 1 of 2 people found the following review helpful. A must for everyone visiting!

By Debbie Smith
Even if you have been to Disneyland before, this book is fun, informative and entertaining. I started buying these guides in 1997 and have bought one every year since. We are planning a big multi-family vacation and I recently bought each family their own copy!

This updated special 50th Anniversary edition of Birnbaum's Disneyland takes readers through Walt Disney's first theme park with ease and flair. Since our guide is the only guide that's official, this book includes the most accurate and current information on prices and attractions. Exclusive coverage of Disneyland's golden anniversary will include all the events, parades, and exhibits that will mark the spectacular celebration. This edition also includes the latest info on DCA's newest blockbuster attraction, The Hollywood Tower of Terror; updates on Disney's California Adventure and Downtown Disney; and lots of other changes for 2005. There is special coverage of Disneyland's holidays and special events, colorful character art, and more color pictures than ever before.
