From Brand: Disney Press : Birnbaum's Disneyland Resort: Expert Advice from the Inside Source before purchasing it in order to gage whether or not it would be worth my time, and all praised Birnbaum's Disneyland Resort: Expert Advice from the Inside Source:

1 of 1 people found the following review helpful. Don't visit the mouse without this!By slcThis book is extremely helpful,especially to a first time visitor to Disneyland. Gives a great overview of all the park rides and helps you figure out whether a ride will be appropriate for every family member. Also rates restaurants and hotels, givng you an idea

of how far each hotel is from the park. Helps with budgeting for your trip, too, by giving cost-saving ideas. Most helpful feature for us is the touring plans--saved us so much time and helped us see so much more! Be sure to get the most up-to-date version because the parks change!! 8 of 8 people found the following review helpful. Fantastic reference for first time visitors! By Christopher H. Jansmann If you have never been to Disneyland in Anaheim, CA, this book by Birnbaum is a nice, concise way to quickly get up to speed on the resort. After a major expansion in 2000-2001, Disney Imagineers have transformed the Walt Disney's original "Magic Kingdom" into a multiple-theme-park resort. Truly an insider's perspective, the book provides easy to follow (albiet optional) itineraries to both Disneyland and Disney's California Adventure; provides cost and recommendations for the restaurants in and around the parks; and lays out the various lodging options, both Disney and non-Disney. Returning Disney guests will most likely not find anything new or revealing in this volume; however, it serves as a wonderful refresher to what has changed since the last visit.

In this updated edition of Birnbaums Disneyland, the most respected and well-known name in travel guides takes readers through Walt Disneys first theme park. There is special coverage of Disneylands holidays and special events, including the 100 Years of Disney Magic festivities, and also an exclusive preview of the Disneyland water park that will debut in 2003. Other highlights include expanded information on the Disneyland Resort dining scene, with a restaurant round-up, and a fresh look at Southern California excursions, plus a complete guide to Disneylands Good Neighbour Hotels.
