**From Brand: Hyperion Books (Adult Trd Pap) : Birnbaum's Disneyland: The Official Guide (Serial)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Birnbaum's Disneyland: The Official Guide (Serial):

Helpful, but watch outBy A CustomerI think it would be almost impossible to compile a completely accurate (for one year) book about an ever-changing place like Disneyland. I'm an annual passholder, bought and first used my copy in April, found several errors. I don't blame the editors, things just changed at the park (like no more preferred parking during construction of the California Experience). Overall a very helpful and interesting guide, but you still need to check things out for yourself.0 of 0 people found the following review helpful. The best guide in print for Disneyland visitorsBy Ethel GrimesBirnbaum's book on Disneyland is the

veritable bible (no sacrilege intended) for Disneyland lovers. It explains everything you need to know about traveling to Disneyland--how to get there, what to do, where to eat and stay, etc.; even places to visit and shop in Southern CA. proper. I would highly recommend this book, especially to first-time visitors to Disneyland. My advice: Don't leave home without it!!!

Completely revised and fully comprehensive with everything there is to know about the Magic Kingdom, its shows, restaurants, and attractions, Birnbaum's Disneyland also includes insiders' tips, expert advice on travel and lodging, and special details on other Anaheim and Los Angeles area attractions. 4-color throughout.
