Pamela S. Weiers, Birnbaum Travel Guides, Tom Passavant, Jill Safro : Birnbaum's Walt Disney World Without Kids 1998: Expert Advice for Fun-Loving Adults before purchasing it in order to gage whether or not it would be worth my time, and all praised Birnbaum's Walt Disney World Without Kids 1998: Expert Advice for Fun-Loving Adults:

8 of 9 people found the following review helpful. Great OverviewBy A CustomerIf you plan to visit WDW without children, this book gives you a summary of attractions worth seeing, and skips over those less-memorable attractions. However, if you want to see what creates Disney magic for all ages, this may not be the best guide. There are many sites that will charm adult visitors which are simply not mentioned in this book. If you have limited time, and only want to experience the not-to-be-missed attractions, this will give you a quick overview. Reviews of resorts and restaurants are accurate, but again you will be missing out on some of what Disney does best. After all, aren't we here to recapture some of our childhood fantasies? I would use this guide as an outline for my adult vacation, but would do a little more reading as well.

For the millions of visitors who come to Walt Disney World without children, this bestselling guide focuses on the night life, resorts, and special places adults will enjoy the most. 4-color throughout.
