Pamela S. Weiers : Birnbaum's Walt Disney World Without Kids (2002) (Birnbaum's Walt Disney World Without Kids: The Official Guide for Fun-Loving Adults)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Birnbaum's Walt Disney World Without Kids (2002) (Birnbaum's Walt Disney World Without Kids: The Official Guide for Fun-Loving Adults):

15 of 17 people found the following review helpful. Birnbaum's WDW without Kids Comprehensive and Concise By Tina If you're going to Walt Disney World during 2002, and you're not bringing children - no matter whether you're 21 or 61, this book will tell you all the ins and outs. Everything from where to go for a night at the clubs to where to rest your weary feet at the parks. They even give you pointers to avoid the little curtain crawlers! You can tell that the writers LOVE Walt Disney World, but they're honest when it comes to what to pass on and even out and out avoid. I've been to Walt Disney World during the 100 Years Celebration, and other than the changes that took place after 9/11, that could not have been foreseen in a book printed for an October 2001 Release date, I feel that this book serves its purpose very well. Name it and they cover it - IF it doesn't include children.

In Birnbaum's Walt Disney World Without Kids, the most respected and well-known name in travel guides takes adult readers through the world's most popular tourist attraction. This book includes the most accurate information on prices and attractions. Now information listed in this edition includes the lowdown on the festivities planned to honour a century of Disney Magic. This book focuses on the resorts, attractions, restaurants, and special places that adults will most enjoy and probably never realized existed.
