Jay Kirschenmann : Black Hills: A Guide to South Dakota's Classic American Frontier (Tourist Town Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Black Hills: A Guide to South Dakota's Classic American Frontier (Tourist Town Guides):

1 of 1 people found the following review helpful. black hills guide to south DakotaBy siouxshiThis book is wonderful

gives you all the information you might need from past history ,and where to eat spend the nite and what is worth checking out and September of this year is exactly what ill do3 of 4 people found the following review helpful. The Black Hills: A Guide To South Dakota's Classic American FrontierBy Lori J. LarsonGreat book! We are planning a trip to the Black Hills and this Guide will be invaluable. We were able to find information on nice restaurants and lodging in all the towns we wanted to visit. It's nice to have a guide organized town by town, so we can plan our day trips around the area. We like fine dining and we were afraid that all you could eat in The Black Hills was buffalo. We are really looking forward to our trip.Thanks for making a rather site specific guide available.1 of 1 people found the following review helpful. Great resource, kept it on the front seatBy TelebombI checked this book out of the library and found or to be extremely helpful. We used the attraction and restaurant tips and found them to be spot on.The book is divided into various regions in the Black Hills with as section on special events. For each region, the book provides a brief background then describes the attractions, restaurants, and hotels. The descriptions are honest, succinct, and helpful. We enjoyed the Black Hills immensely!

Explore the Black Hills of South Dakota with Tourist Town GuidesR. Revised and updated, use this guide to discover the striking natural beauty, abundant wildlife and many attractions that the Hills have to offer, including: the best area attractions, top dining and shopping choices, the Badlands' unique landscape, and more!From iconic Mount Rushmore to the historic Mammoth Site, use this guide to discover the best of what the Black Hills has to offer.

About the AuthorJay Kirschenmann is a full-time news and feature writer for a national news service. He's based in Sioux Falls, South Dakota, where he writes about local and national artists, musicians and actors. He has visited the Black Hills dozens of times as a child, a parent, and now with his wife, Jane, as empty nesters.
