in Emilia-Romagna--Parma, Modena, Bologna, Ferrara, Ravenna, and more. Pretty slim, so easy for traveling. I disagree with the other reviewers who gave it one star. Blue Guides have never been your typical tourist book. They include much more information and history about the sights. I use online research and other basic travel books to map out what I want to see. Then I take a Blue Guide with me so I can really learn about what I'm looking at. This Blue Guide is perfect for that.3 of 4 people found the following review helpful. This was a real find!By GabyThis was a real find! So accurate and really detailed! Recommend it wholeheartedly - the best guide around on this area.

This easy-to-carry guide includes Bologna, Parma, Modena, Piacenza, Ravenna, Rimini and the Po delta. Art historian, Italy resident and long-time Blue Guides author Alta Macadam explores this beautiful region of fine cities, splendid cuisine and long history, providing a fascinatingly detailed guide, with carefully chosen recommendations of hotels and restaurants.
