Candyce H. Stapen : Blue Guide Washington D.C. (Blue Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Blue Guide Washington D.C. (Blue Guides):

This long-awaited Blue Guide is a spectacular tour through the nation's capital city and its environs. Packed with

fascinating historical information charting the city's development from the 1600s to present day and highlighting the political luminaries who have called it home, this guide provides the visitor with a thorough knowledge of this wholly unique and grandly designed city. This is the definitive guide to the area, with over thirty walking tours including detailed information on the many federal buildings, monuments, museums, and other important places to see, as well as information on additional sites within the District of Columbia, Maryland, and Virginia, and suggested day trips to Civil War battle sites, Baltimore, and Annapolis.
