Donald C. Wenberg : Blue Ridge Mountain Pleasures: An A-Z Guide to North Georgia, Western North Carolina and the Upcountry of South Carolina before purchasing it in order to gauge whether or not it would be worth my time, and all praised Blue Ridge Mountain Pleasures: An A-Z Guide to North Georgia, Western North Carolina and the Upcountry of South Carolina:

There is fun for everyone in the Blue Ridge Mountains, and this lively, four-season guidebook will help you find the recreation you enjoy: arts, crafts, festivals, factory outlets, white-water rafting, snow skiing, country inns, antiques, Blue Ridge Parkway, rock climbing, and more. In fact, more than 2,500 exciting (mainly low-cost or free) activities and events are included in this comprehensive book. An A-Z table of contents lists the attractions in alphabetical order for easy reference, and a complete cross-referenced index locates what's available in each area. To satisfy eager trivia collectors, there is a special chapter listing incidental facts about this tri-state area, and charming line drawings highlight mountain pastimes.
