**Tom Downs : Blues BBQ (Lonely Planet Road Trip)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Blues BBQ (Lonely Planet Road Trip):

1 of 1 people found the following review helpful. you've changed -- you're not the travel book i once knew...By H. C. Markthe original guide had a lot more text and fewer places to stay/eat as per aaa guides -- i got it for a freind who way headed for the delta -- perhaps it was useful to him -- what i was looking for is a kind of travel memoir...

This title in the Road Trip series features insider tips to where to hear authentic blues, from well-known clubs to dusty juke joints; discerning restaurant reviews on the best Southern BBQ spots in the region and special features on the famous blues musicians and the land that inspired them.
