Have suitcase, will travel! So begins this humorous devotional written specifically for those enjoying a vacation on a

cruise. Filled with practical insight, journaling space, and moving challenges, Bon Voyage will inspire any person regardless of where they are or where they are going to enjoy life and deepen their life experiences. Written for both personal and group use, this is the perfect devotional to tuck into someone's luggage as you wish them Bon Voyage. Endorsements: I have used several devotional pieces written by Laurie Kuykendall for myself as well as for groups of travelers. Her work engages the reader quickly and encourages personal reflection and interaction with others. This book is a must whether you are an occasional or avid traveler. Dr. Gary Damore Superintendent Scottsdale Christian Academy Scottsdale, Arizona I had the opportunity to be blessed by Scripture for My Suitcase even before publication. Every believer who travels will find the writing of Laurie Kuykendall a wonderful way to begin the day.
