Sebastian Bond : Boston - 2017 (The Food Enthusiast's Complete Restaurant Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston - 2017 (The Food Enthusiast's Complete Restaurant Guide):

1 of 1 people found the following review helpful. BEWARE! Mini Listing ONLY!By GaragegalWriter has phoned

this is. This is NOT COMPLETE, nor is it a RESTAURANT GUIDE! This "book" has 47 pages of "content," only 26 pages of a mere list of some restaurants (1/3 of the pages are B/W photos) and the rest is one person's list of Boston highlights. FODORS this is NOT! A total waste of my money. If I wanted a Boston tour guide, I'd order one. Since I wanted a Restaurant guide, this was verrrrrry misleading.

There are many people who are enthusiastic about foodthe cooking of it, the preparation of it, the serving of it, and lets not forget the eating of it. But Sebastian Bond is the ultimate Food Enthusiast. This is another of his books with spot-on reviews of the most exciting restaurants in town. Some will merit only a line or two, just to bring them to your attention. Others deserve a half page or more. Exciting does not necessarily mean expensive. The areas top spots get the recognition they so richly deserve (and that they so loudly demand), but there are plenty of sensible alternatives for those looking for good food handsomely prepared by cooks and chefs who really care what they plate up in the kitchen. For those with a touch of Guy Fieri, Bond ferrets out the best food for those on a budget. That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town, perfect to wash down with a locally brewed craft beer. Whatever your predilection or taste, cuisine of choice or your budget, you may rely on Sebastian Bond not to disappoint. Bond dines anonymously at the Publishers expense. No restaurant listed in this series has paid a penny or given so much as a free meal to be included. Bon Apptit!
