Fodor's : Boston '96: The Complete Guide to Beantown Cambridge with Great Walking Tours and Country Day Trips (Fodor's Boston) before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston '96: The Complete Guide to Beantown Cambridge with Great Walking Tours and Country Day Trips (Fodor's Boston):

The new edition of this guide to Boston includes revamped walking tours of the city which lies at the heart of American history. The restaurant scene is lively, with 100 opening in the past year, so there are many more restaurant reviews.
