Anthony Mitchell Sammarco : Boston: A Historic Walking Tour (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston: A Historic Walking Tour (Images of America):

3 of 3 people found the following review helpful. I love it. By J Wong I love the old pictures of Boston. I read historical novels and have always wondered where different "Squares" were. Also, I lived in Boston in the 1970s, left in 1976, and returned in 2006. Discovered the waterfront just across the street from Quincey Market, a new park, no sleazy highway underpass, no more "El," a new Orange Line, etc, etc. I'm catching up on new "history." (Some of the "old" pictures are from my previous life here.) A fun book. 0 of 1 people found the following review helpful. Good little

guide, not much informationBy AddictGood guide, good but limited historical information.

Oliver Wendell Holmes coined the Massachusetts State House as the Hub of the Universe. In *Boston: A Historic Walking Tour*, readers are guided on a series of downtown walking tours that radiate out from this Boston landmark. Featuring different excursions that explore Bostons prominent neighborhoods and districts, visitors and natives alike will see how this city has become one of the countrys oldest cultural destinations. Bostons growth and development in the 19th and 20th centuries has contributed to it becoming the unofficial Capital of New England; its economic and cultural impact on the entire New England region is far reaching. Although Boston is known for its notoriously crooked streets and narrow alleys, it is a mecca for walkers looking to take in historic sites and surround themselves with history. Walk along Tremont, Washington, Beacon, and Summer Streets to explore downtown Boston. Saunter down Beacon Street on Beacon Hill and Boylston Street in the Back Bay to take in the citys most beloved sites.

About the AuthorAuthor Anthony Mitchell Sammarco has written over 60 books on Boston and teaches history at the Urban College of Boston. His knowledge of the citys history and his affection for the topic are evident in this exciting new work.
