Jonathan M. Beagle Ph.D. : Boston: A Pictorial Celebration before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston: A Pictorial Celebration:

1 of 1 people found the following review helpful. Fabulous book By Pat EI bought this book for my daughter who visited Boston several years ago. She loved the pictures of the places we had visited and the history in the written reviews.

Its the city that started a revolution with its famous Tea Party, the home of such historic landmarks as Quincy Market, Faneuil Hall, and the African Meeting House. Swan boats sail in the Public Garden, and theres a thriving waterfront, the excitement of a game at Fenway Park, and some of Americas finest universities. Welcome to always-fascinating Boston, presented in a lavish, fascinating, and comprehensive visual homage. Once again, as in Washington, D.C.,

Elan Penn has successfully captured the soul of city with his camera, and Professor Jonathan Beaglean expert in New England history provides an elegant and knowledgeable text. From Bunker Hill to the Back Bay, its an enlightening and beautiful tour.
