Bill Brett, Carol Beggy, Robert B. Parker : Boston, All One Family before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston, All One Family:

10 of 10 people found the following review helpful. Contemporary Boston history preserved with distinction By D. Rosenfeld The problem with photography of important figures is that the majority of the attempts either end up as images of people looking like static statues or, at the other extreme, Weegee rendered caricatures. This effort is first rate because Brett achieves the sought after goal of natural and real-to-life photographs that capture the movers and shakers of business, government and sports during the last two decades. A must book for anyone interested in the history of Boston!! 4 of 4 people found the following review helpful. A kaleidoscope of the people of Boston By Joel McBride Bill Brett's book captures black and white photos of the city's best and brightest people over the course of the last century. This book is a glimpse into the heart of this city and the people who have their fingers on the pulse of it.

A must have for every Boston coffee table. 6 of 6 people found the following review helpful. A must have for every Bostonian
By Joseph Farrell
If you love the city of Boston like Bill Brett then you'll love this book. The black and white photos are timeless captions of the people who make this town unique and vibrant. Life long townies or displaced natives would be captivated by this transparent look at their hometown.

""With virtually unlimited access to the city's leaders, the Boston Globe's society photographer has spent the past two years stitching together a beautiful portrait of Boston-not the bricks and buildings, but the people who make it move. There are celebrities aplenty here (from pols and pundits to actors and artists) but there are also dozens of images of community leaders who donate their time and money to make Boston a """"family"""" more than ever. ""

About the Author
Bill Brett has been taking pictures for The Boston Globe for over forty years. His first book, Boston, All One Family, was Commonwealth Editions' best-selling book in 2005. He followed that with Boston, An Extended Family and Boston: A Year in the Life. He lives in Hingham, Massachusetts.
