Fall in love with Berlitz's all new accurate, convenient, and fun to use City GuideMaps. When time and space are precious and the weight of a guidebook is prohibitive, these Berlitz City GuideMaps are the perfect solution for carrying essential travel information along with you. Their unique easy-fold format allows for hassle-free use so that you can get the information you need and get right on your way. Each City GuideMap captures the very best the destination has to offer with the section on key sights, guided walks, entertainment, places to eat and drink, including

suggestions on less "touristy" places. A perfect day itinerary and recovery zones are also key features that will make the visitor feel at home in the city. Also each map comes complete with a city street plan including transportation details on one side and thematic listings on the other, all cross referenced to the main city map. Lightweight, compact and durable, they're a perfect fit for your wallet, pocket or purse.
