Insight Guides : Boston (City Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston (City Guide):

2 of 2 people found the following review helpful. Clear, informative, easy to use. By Kathleen Spencer Excellent guide to Boston for the first timer or the native who wants details for great day trip. Filled with clear and informative maps, fun photos and wonderful descriptions of different areas of Boston and the many surrounding attractions. It contains a terrific history section, practical tips on planning your trip, accomodations, restaurants, shopping and sports info and more and even a list of good books about Boston. The book is scattered with helpful tips and recommendations to enhance your visit. A very attractive book, it's size (about 5 1/2 X 8 1/2 and about 3/4 inch think) makes it easy to

carry around and substantial enough to save as a great souvenir of your trip. I work at a Global Training Center and we use this book consistently to help our visitors plan their sightseeing. I highly recommended this guide.
