National Geographic Maps - Trails Illustrated : Boston Harbor Islands National Recreation Area (National Geographic Trails Illustrated Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston Harbor Islands National Recreation Area (National Geographic Trails Illustrated Map):

0 of 1 people found the following review helpful. map does not include ocean depthsBy georgeane Colemanwas hoping for more maritime markings on this map such as ocean depths around the harbor islands. It is a nice map, but not useful to me.1 of 1 people found the following review helpful. Great Map for Many ActivitiesBy J.B.Great map! Received as a gift and have used it for planning weekend hikes and paddles in on the islands. Map is very durable and printed on a really nice material which is waterproof (perfect for boating). Map is really detailed and even has commuter rail, ferry, and T stations for those taking public transportation. The back of the map has a cool satellite image of the islands along with lists of the type of facilities and activities that can be found there. Highly recommended.

Waterproof Tear-Resistant Topographic MapLocated just outside of downtown Boston, the Boston Harbor Islands provide an abundance of recreational opportunities for all outdoor enthusiasts. Expertly researched and created in cooperation with the National Park Service, Boston Harbor Islands Alliance and many others, National Geographic's Trails Illustrated map of Boston Harbor Islands National Recreation Area is an essential travel companion for all visitors to the area. The front side of the map contains both topography and bathymetry, while the reverse side shows the area in high-resolution satellite imagery. Together they provide unparalleled detail of all 34 harbor islands, shorelines, downtown Boston and neighboring communities, Boston Inner Harbor and the other waterways that surround the islands.Mainland piers with park operated ferries to the islands are clearly marked along with their facilities as well as water taxi stations. Boaters will find boat ramps, docks, moorings, buoys, beacons and soundings. Background information of many of the islands is provided along with hiking and biking trails, available facilities and pinpointed structures, buildings and other points of interest. Other recreational features noted include areas for fishing, swimming, diving, canoeing, kayaking, cross-country skiing, wildlife viewing, camping and picnicking. The map also provides a complete road network of the area along with subway, commuter rail stations.Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation.Other features found on this map include: Boston, Charles River, Hingham, Hull, Milton, Quincy, Winthrop.Map Scale = 1:25,000Sheet Size = 37.75" x 25.5"Folded Size = 4.25" x 9.25"
