Saba Alhadi : Boston in Photographs before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston in Photographs:

She loved the pictures of the places we had visited and the history in the written reviews.0 of 0 people found the following review helpful. MediocreBy EcoDesignerI was disappointed by this book. The photography is mediocre, as is the choice of subjects. If you've ever seen Boston in person (I lived there several years), you'll probably be disappointed by this book. There's so much beauty and variety that is not portrayed.
