**PopOut Products : Boston Inside Out** before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston Inside Out:

This innovative little travel companion comprises 2 detailed, fold-out maps with a 64 page, full-colour illustrated guide. The guide opens with 2 of our favourite itineraries. If you're short of time and want to see all the best bits, these itineraries are sure to help you explore and savour the best that Boston has to offer. The guide is then divided in to 7 chapters: see it - the best places to see from museums galleries to markets, monuments and much more; buy it - pinpoints the key shopping areas and stores to target; watch it - places to be entertained: shows, theatres, music venues, ballet, comedy, cinema and nightlife; taste it - from ethnic cuisine to local fare to the top places for an evening cocktail - all the best places to eat and drink; know it - all the practical information you need to get the best out of your trip; directory - hotel listings, additional places to visit, annual events and useful websites; speak it - essential local words and phrases. In addition to the 2 detailed street maps there is also a transit map.
