**From Map Group : Boston Insideout City Guide with Other and Pens/Pencils (Insideout City Guide: Boston)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston Insideout City Guide with Other and Pens/Pencils (Insideout City Guide: Boston):

1 of 1 people found the following review helpful. great INNOVATION, compact.By K. Liu1st, very creative design of guide I should say, I'll give six stars for the design, very compact as small as a PDA, equipped with pen and mini-compass that can be rotated to your viewing angle (really usefull and inovative). Great thing that it has pre-folded maps. 4 maps inside = Downtown Boston (2), around Harvard Square, and Greater Boston.Also It is one of the easiest guide to use.It is not the most complete and detailed guide. But the info really DOESN'T suck, (filled with junk)-like most of the very detailed complete one. Yes, it got guide to restaurants, entertainment, places to stay etc,etc.And yes the price is at the top end of guides that are considered a compact guide.

This portable, attractive city guide includes detailed PopOut maps, a 64 page insider guide, a functional compass, and a pen to help you travel intelligently around Boston. The classic itinerary highlights 20 must-see attractions, like the USS Constitution and Fenway Park -- along with descriptions, historical insights, and an accompanying alphanumeric index that corresponds to helpful maps. The guide also features descriptions of 54 shops ranging from gourmet food stores to vintage, thrift, and specialty shops; 58 varied entertainment venues, and 56 eclectic restaurants that offer a wide selection of cuisine (including a price guide). A concluding section provides transportation, weather, and regional custom information. PopOut maps of Greater Boston, downtown Boston, and an inset of Harvard Square and Beacon Hill complete this handy guide.
