From APA Publications Pte Ltd, Singapore : Boston Insight Guide (Insight Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Boston Insight Guide (Insight Guides):

0 of 0 people found the following review helpful. GreatBy A CustomerThis is the fourth Insight Guide I have used for travel in the U.S., and it's a great one. Everything I needed for planning my trip was in it - hotel and restaurant suggestions, information on sites I wanted to see, travel tips, maps, etc. Insight Guides are heavy on information about local color, history, and culture, which is one of the reasons I like them so much. The photographs are terrific, and I appreciated getting a feel for the city before I even arrived through pictures.

No writing, highlighting, or underlining in body of text. Shelf and handling wear to cover and binding, with general signs of previous use. Seller inventory information in pencil on first page/first white page. Pages crisp and clean. Spine not cracked.
