Jennifer Holm : Boston Jane an Adventure before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston Jane an Adventure:

2 of 2 people found the following review helpful. Best Story Ever!By Mg Gallegos13I love this book. And I must admit that I've read it before. this copy was for my 91 year old Godmother. She never reads much but finished this book in a couple of days. I've just moved to the Grays Harbor area and have suggested this book to many of my clients. I was delighted to meet one of the experts consulted about the Indians in the book and a cousin of the author (who had never read the book). This is a fantastic story about a brave Philadelphia girl who has to survive in the primitive conditions of the Northwest.0 of 0 people found the following review helpful. Five StarsBy BeebeeIt is a book0 of 0 people found the following review helpful. Favourite books of all timeBy KateThe Boston Jane trilogy are my favourite books of all time. I first discovered them in middle school and actually read them backwards because I didn't realise they were a series and what order they went in! I am 21 now and I still read the books, in the correct order, or just open one up at a random page and know immediately where I am: in Shoalwater Bay.
