Langenscheidt : Boston MA Insight Day Night Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Boston MA Insight Day Night Guide:

By K. Chin
I usually love their maps. Have bought them for cities in Europe and the USA. But for some reason, although published in 2006, there was a lot of inaccurate information printed in this map. For example, the Sam Adams Brewery is nowhere NEAR where the map leads you to! AND the phone number is incorrect as well!! Let my friends and I lost and frustrated... ended up wasting a lot of time going to destinations that we later found out was on the other side of town. Good Subway map and tips on restaurants... but NEEDS TO BE UPDATED...
