Kappa Map Group : Boston, MA Metro Eastern MA Street Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston, MA Metro Eastern MA Street Atlas:

0 of 0 people found the following review helpful. The binding is not as sturdy as I'd likeBy Annette WeinerI wish this book had the northern section of RI included. I moved to North Attleboro and got this book to help me navigate my new surroundings, so the RI section would be helpful to me. The maps and indexes are clear. The binding is not as sturdy as I'd like, as my book moves between my house and car, and is a bit dog eared already.2 of 2 people found the following review helpful. It's a set of maps, not much to sayBy Luther-sMomIt's fine, preferable to using GPS in many areas.Text is easy to read, toss a magnifying glass in your glove box for those little bits where the names of short streets are a little too close to each other but aside from that, a good purchase.0 of 0 people found the following review helpful. He has a gps on his phone but he's much happier reading a map and discovering what's at the end ...By Jane L.Bought this as a gift for my son's birthday as he likes to walk around the city and explore. He said it was exactly what he wanted. He has a gps on his phone but he's much happier reading a map and discovering what's at the end of

this street or finding out where does that leads to. Happy with my purchase.

The Boston Metro and Eastern Massachusetts Atlas is a full-color street atlas, including street-detail maps of: Brockton, Brookline, Cambridge, Fall River, Lawrence, Lexington, Lowell, Lynn, Medford, New Bedford, Newton, Plymouth, Quincy, Somerville, Taunton, and 151 other cities and towns; and features: Airports, a Central Boston inset, City and Town statistics, Colleges and Universities, Golf Courses, Hospitals, Parks and Rec Areas, Places of Interest, Regional Maps, Transit Maps, and ZIP Codes
