National Geographic Maps : Boston (National Geographic Destination City Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston (National Geographic Destination City Map):

1 of 1 people found the following review helpful. I love Boston and sometimes need a little help finding all ...By John W. BoettnerI love Boston and sometimes need a little help finding all of the hidden gems in the city. This map details all of them.0 of 0 people found the following review helpful. Five StarsBy EllbelDetailed and easy to read.0 of 0 people found the following review helpful. Not durable, nor very easy to use.By RobertDisappointed! The map is printed paper coated with light nylon, which has the texture of a glossy paper - and hence not durable. There is not enough detail in the map, because of lack of hard plastic, it is not easy to use while in the car.

Waterproof Tear-Resistant Travel MapOne of the oldest cities in the United States and home to some of the most renowned universities in the world, Boston will captivate visitors with its mix of historical sites from colonial days and modern high-rises. National Geographic's City Destination map of Boston is the perfect travel companion for business and leisure travelers alike, combining a unique and easy-to-read road map with an essential travel guide. Pinpointed on the map are hundreds of popular and lesser know points of interest, including monuments, notable buildings, churches, hotels, theaters, subway (The "T") and railway stations, parks, police stations and hospitals, including 3D depictions of many popular sites, like the Museum of Fine Arts, Faneuil Hall and Fenway Park. For visitors interested in walking tours, the historic Freedom, Black Heritage and Maritime trails are mapped.Finding your destination will be simplified by the map's user friendly index of streets, notable buildings, theaters, hotels, parks, subway stations, ferry stops and other points of interest. A regional map, a comprehensive subway (The "T") map, a diagram of Logan Airport and transit information will aid in your acclimation. Background information about the city and its most popular sites is also provided.Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of any kind of travel.Map Scale = 1:11,250Sheet Size = 24.75" x 17.75"Folded Size = 4" x 8.75"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
