I was able to find everything I needed and the nice thing was I didn't have some bulky map to carrying around and unfold looking like the fish out of water tourist. It fit right into the back pocket of my jeans. I also loaned it to a friend for her trip to Boston and she raved about it as well. Buy the map and enjoy Boston!4 of 4 people found the following review helpful. Great for TouristsBy Robert BruceI've bought this popout map for my visit to Boston and found it quite useful. I now have 3 or 4 of these for different cities and like the idea that I can stick it in my back pocket and pull it out when I need it. I do have to remember to bring reading glasses, however, the print can be difficult to read otherwise.0 of 0 people found the following review helpful. Five StarsBy lonetimberGreat map.
